Joint Committee on Childcare for Students

CENTRAL CHILDCARE BURSARY SCHEME
APPLICATIONS 2016/2017

The Joint Committee on Childcare for Students operates the Central Childcare Bursary Scheme, which offers financial assistance to **EU and overseas** student parents from **participating Colleges** with **Ofsted-registered** childcare costs. There are bursaries available to help with pre-school and out-of-school childcare costs.

Home students with dependant children should contact their college for further details.

See overleaf for further information and guidance. Please RETAIN this outer cover for information.

**Eligibility**

Funding for the Childcare Bursary Scheme is derived through College contribution and therefore EU and overseas undergraduates and graduates are only eligible if their College has agreed to participate. Colleges can choose to contribute to pre-school and/or out-of-school childcare costs.

**Pre-school Childcare Bursaries** (for children up to five years)

The pre-school bursaries are available to help with fees at any confirmed Ofsted-registered childcare provider, including the University Nursery at West Cambridge. See inside the back cover for guidance on Ofsted registration.

All 31 Colleges participate in the pre-school element of the scheme.

**After-school/Holiday Playschemes** (for school-age children four years and over)

After-school bursaries help with the costs of any confirmed Ofsted-registered after-school and holiday facilities, including the Universities’ Holiday Playscheme. See inside the back cover for guidance on Ofsted registration.

The following Colleges take part in the after-school element of the scheme. EU and overseas students can only apply for a bursary for their school-age child if their College is listed below:

EU and overseas students from Colleges not participating are NOT eligible to apply. These Colleges should have their own arrangements for the provision of childcare funds – please consult your Tutor.

**Further Information**

**Data protection**
The University of Cambridge is a data controller as defined by the Data Protection Act 1998. The data provided on this form will be treated in strictest confidence and will only be disclosed to staff of the University and Colleges administering the scheme. The data will be used solely for the administration of childcare bursaries and for statistical purposes. If you require further information regarding the processing by the University of your personal data for this purpose please contact the Secretary of the Joint Committee on Childcare for Students, Childcare Office, 21 Trumpington Street, Cambridge CB2 1QA.
The Central Childcare Bursary Scheme can offer limited financial assistance to EU and overseas student parents towards confirmed Ofsted-registered childcare costs (see the section on Ofsted Registration for guidance) and NOT with the general expenses of bringing up a child. All applicants are expected to have made reasonable and realistic provision for dependant children, as evidenced in their Financial Guarantee to the University, and to have applied for all grants, benefits, allowances or other forms of support to which they are entitled. Where applicants have clearly not done so, the award of a bursary may not be appropriate. The scheme is intended for students in exceptional, unforeseen financial difficulty, rather than as a core source of support for childcare costs. If an applicant’s partner/spouse is neither working nor studying, it is assumed that they will be responsible for childcare and a bursary would not ordinarily be awarded unless there are exceptional personal circumstances.

EU and overseas students or their partners may be entitled to certain welfare benefits, such as Child Benefit and tax credits, depending on their residency and, if applicable, immigration status in the UK. Students subject to UK immigration control are not normally entitled to claim benefits and trying to do so could be a breach of visa conditions. See the UK Government website at www.gov.uk for further information.

**Students on Fieldwork:** In some circumstances, it may be possible for students who are required to undertake fieldwork away from Cambridge as part of their course to claim for childcare costs. The Committee will consider each case on its individual merits.

You are strongly urged to discuss your application in the first instance with your College Tutor who will be required to comment on and sign your application.

**When To Apply**

You may apply for a bursary at any time throughout the 2016/17 academic year, but the Joint Committee on Childcare for Students anticipates most of the available funding will have been distributed by Easter Term 2017. Applications will be accepted until funds are exhausted. If your application is successful, the award you receive is intended to last for the entire academic year. **Students can only apply more than once in one academic year if their circumstances have changed significantly.**

**Assessing Your Application**

Childcare bursaries are means-tested and awarded according to guidelines and a points system drawn up by the Joint Committee on Childcare for Students, which compares annual income and expenditure with Ofsted-registered childcare costs.

The Committee is also willing to take into account students with exceptional course demands or family circumstances, such as financial difficulties, illness or death, or size of the family. You should detail all information on the form that you would like the Committee to take into account when assessing your application. If necessary, attach an extra sheet. Please note that it may be necessary for the childcare provider to be contacted to clarify certain details on the application.

Awards are currently up to a maximum of £5,400 per year. Awards are intended to last for the entire academic year, while you are an active student and you are using childcare.

**How to Complete the Form**

Please answer all questions truthfully and fully with as much detail as possible. **You must attach documentation from the Ofsted-registered childcare provider detailing the secured place or places, including the child's name, costs, booking pattern and the start dates.** Return this form to your College Tutor for checking. Your Tutor may ask to see supporting documents before signing the declaration. A supporting statement from your Tutor can make all the difference in the Committee's decision to award a bursary.

**Completed forms** should be returned by your Tutor/College to: The Secretary, Joint Committee on Childcare for Students, Childcare Office, 21 Trumpington Street, Cambridge CB2 1QA.

6. DECLARATION

I have attached documentation that confirms I have secured Ofsted-registered childcare place/s. □

Your Tutor may ask to add supporting documents before signing the declaration.

I confirm that the information I have given is correct and reflects my financial circumstances.

Signed: ___________________________________________ Date (dd/mm/yy): __/___/______

All applications must be supported by a Tutor’s signature.

7. TUTOR’S SECTION

The Committee would greatly appreciate any comments you are able to make in support of this application. On the assumption that the student’s resources were understood, at the time of acceptance, to be sufficient to meet fees and expenses (including those of dependants) for the duration of the proposed course, the Committee attaches considerable importance to the College’s comments on the reason why this is no longer the case. Please also indicate the extent of any College financial support given or promised during this academic year and any explanations for an applicant who is overrunning.

Ofsted Registration

The Committee usually only award bursaries to students who are paying for Ofsted-registered childcare. Ofsted, the Government's Office for Standards in Education, Children's Services and Skills, inspects and regulates childcare facilities. Many childcare providers are required to register with Ofsted. Ofsted registration is split into the Ofsted Early Years Register and the Ofsted Childcare Register, which has compulsory and voluntary parts. Childcare providers that care for children from birth to five years must follow the Early Years Foundation Stage framework and join the Early Years Register. This includes nurseries, childminders and any out-of-school clubs and playschemes that care for younger children. Childcare providers that care for children under eight but older than five must join the compulsory part of the Childcare Register.

Some providers are not required to register but can opt to join the voluntary part of the Childcare Register. This includes settings that care for children aged eight and over, providers of short-term care, or carers who work in the child’s own home such as nannies. These providers are considered Ofsted-registered for the purposes of the Central Childcare Bursary Scheme.

Ofsted also inspects state schools. Out-of-school or holiday clubs provided directly by schools do not have to be Ofsted-registered in the same way, but will be inspected by Ofsted when they carry out a full school inspection. These clubs are considered Ofsted-registered for the purposes of the Central Childcare Bursary Scheme.

More information on Ofsted registration can be found at [www.gov.uk/government/organisations/ofsted](http://www.gov.uk/government/organisations/ofsted). Ofsted-registered childcare does not include private music lessons, leisure activities or childcare undertaken by family members. However, the Committee will take into account exceptional circumstances and if you feel your case should be considered, you should apply.

Payments

The Committee aims to assess and respond to your application within six working weeks of receipt, although sometimes final decisions may depend on the provision of further information by applicants, via your College Tutor. You will receive an initial confirmation of receipt before your application is assessed.

If you are successful, a cheque will be sent to your College Senior Tutor’s office. Awards will be paid in a single instalment.

Appeals

If you are unhappy with the outcome of your application and believe that there has been a miscalculation or misunderstanding of the figures or information you have provided, you should initially discuss the matter with your Tutor. The Committee administrators will seek to resolve appeal cases or other cases of disagreement through negotiation with your College and through consultation with the Chair of the Joint Committee on Childcare for Students. Appeal cases that cannot be resolved in this way will be referred to the full Committee for final adjudication.
