

University of Cambridge Holiday Playscheme Planned Activities: Easter 2018

Over the holiday there will be a wide variety of planned activities available, shown in the timetable below. If children do not wish to participate in these then there are many other play opportunities available. Some children prefer to play and organise their own games with friends, and there are always other activities on offer such as arts and crafts, sports, rollerblading, board games, construction, den building, woodwork, music, role play, fancy dress, cooking, reading, messy play, water play, group games and much, much more! Please note that occasionally activities may change with no prior warning. Activities can also get rather messy so please bring appropriate clothing. Please note that occasionally activities are subject to change, with no prior warning.

Trip Notes: Trips are usually optional and some children will remain at the settings where activities will run as normal. We ask for a £2 donation per child for any trips your children attend. Please note that we use public transport for trips. All trips and activities may change due to circumstances beyond our control. Departure times for trips will vary, however we suggest you arrive early on the morning of a trip to register interest with the Site Co-ordinator. Please note they will book up on a first come first serve basis.

Mobile Phones and Electronic Devices:

For safeguarding purposes, your child will not be allowed to have a mobile phone or other electronic device with them at Playscheme. If you want to provide them with a mobile phone then this needs to be given to the staff on site to store safely. Children will be able to access it for appropriate reasons. Children aged 11 and over may sign in an electronic device and keep this in their bag, however, these are only to be used in the over 11s room or if special permission has been given.
