Over the holiday there will be a wide variety of planned activities available, shown in the timetable below. If children do not wish to participate in these then there are many other play opportunities available. Some children prefer to play and organise their own games with friends, and there are always other activities on offer such as arts and crafts, sports, rollerblading, board games, construction, den building, music, role play, fancy dress, reading, messy play, water play, group games and much, much more! Please note that occasionally activities may change with no prior warning. Activities can also get rather messy so please bring appropriate clothing.
